GALLERIST/CURATOR 2010 – 2019

I established and managed a gallery organization, **77ART** in Rutland. The idea was to help affect Rutland's well-being in preparation for what I believe could be a post-retail economy.

By 2018 **77ART** was operating five galleries and an art residency program all of which had a beneficial presence and was on its way to fulfilling its mission. Presently, the pandemic has halted all 77Art activities.
